## **DETAILED ACTION**

The receipt of the amendment dated June 16, 2004 of the application 09/986,070, including amendments to the claims, is acknowledged.

### ***Allowable Subject Matter***

1. Claims 1-13 and 17-61 are allowed.
2. The following is an examiner's statement of reasons for allowance:

No reference nor combination of references was found which teaches an automatic transmission with an input first axis, an output second axis, at least one first gear group including a driven gear which may run idle with respect to the second axis, at least one second gear group including a driven gear which is fixed on the second axis, and a torque transferring mechanism for transferring torque between the driven gear which may run idle with respect to the second axis and the driven gear fixed to the second axis, as required by claims 1, 2, 3, 17, 59, 60, and 61.

No reference nor combination of references was found which teaches a vehicle with a transmission including an input first axis, an output second axis, at least one first gear group including a driven gear which may run idle with respect to the second axis, at least one second gear group including a driven gear which is fixed on the second axis, a torque transferring mechanism between one first gear group and one second gear group, and a shifting control means, wherein the amount of back and forth acceleration change generated in the vehicle while shifting is controlled so as to fall within  $1.0 \text{ m/s}^2$ , as required by claims 18 and 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
